### Product details

Ready mixed

Intensive Cleaner is a unique ready- to-use-spray for the all-round cleaning of all interior wood work such as furniture, staircases, doors, panels and worktops independently whether the surfaces are oiled, waxed or lacquered. It provides an excellent cleaning and removes the most difficult dirt, grease and stains and it is fast and simple to apply.

## How to...

- 1 Before use shake bottle of Intensive Cleaner carefully.
- 2 Spray the Intensive Cleaner onto the surface.
- 3 Leave solution to dissolve stain and dirt etc.
- 4 Wipe surface dry with a firmly wrung cotton cloth.
- 5 Leave surface to dry.

## Maintaining and cleaning

Oiled surfaces are re-oiled with one of the WOCA oils.  
Waxed surfaces are re-oiled with the WOCA Maintenance Paste. Lacquered Surfaces are rejuvenated with WOCA Lacquer Care.

## Technical data

### Product

#### properties

pH-value: 10 -11,1
