- Certified by IBR

### Product details

Spot Remover effectively dissolves grease, blood, coffee, tea etc. May be used on unfinished, soaped, oiled or waxed interior surfaces.

Spot Remover is based on soap and specially developed for indoor use to remove spots from oiled wood surfaces.

## How to...

1. Before using Spot Remover it is advisable to make a small test at a non-visible place of the floor to insure that there will be no undesired reaction.
2. Spray Spot Remover evenly on the stain directly from the bottle.
3. Leave the Spot Remover to dissolve the stain for 10-20 min.
4. Now scrub with a brush till the stain has been dissolved.
5. Wipe with cloth wrung in luke-warm water.
6. Repeat operation if necessary.
7. When the floor is completely dry apply the original surface finish, e.g. oil, wax or soap to re-establish the protection of the surface.
